It was removed a while back from the list on the Hiring Policies and Protocols doc.

Hi Arnon,

I've checked with Jill and OpenTV can be removed from our Do Not Call list. We are no longer in talks with them. Email thread below:

Thanks,
Kristin

Yes, there should be no restriction now. Our talks with them ended months ago.

Hey Jill,

Is Open TV still on our list of companies to avoid recruiting from? My understanding was that this had been lifted.

Thanks!

Kristin - can you please check with Jill to see if OpenTV is still a valid name our our do not call list? Are we engaged in anything that may require us to keep them on the list?

Hi Arnon,

There are two companies that Jill Huchital has established non-recruit agreements with: OpenTV and Invidi. I'm not sure what our procedures are here – do I need to do anything to make this official?

Thank you,

Kristin

Hi Kristin,

Could we please add Invidi to the "do not recruit" list?

Thanks,

Jill

This is the name of the person at Google that was recruiting someone from Invidi. This type of direct contact probably isn't a good idea right now.
